

QUESTIONS AND ANSWERS FOR BID NO. 2016-03

- 1) Can you provide the estimated cost for the Upgrade of VoIP Business Telephony Systems or if it is anticipated to be over or under \$75K?

County Response:

The County is receiving proposals for this RFP based on your recommendations. The pricing will be based on what you propose, so the County cannot set the pricing, only review proposals received.

This document will be updated as questions arrive. Check back frequently and include a copy of this page in your response.
