

**Notice About 2023 Tax Rates**  
**Property tax rates in Uvalde County**

This notice concerns the 2023 property tax rates for Uvalde County. This notice provides information about two tax rates used in adopting the current tax year's tax rate. The no-new-revenue tax rate would impose the same amount of taxes as last year if you compare properties taxed in both years. In most cases, the voter-approval tax rate is the highest tax rate a taxing unit can adopt without holding an election. In each case, these rates are calculated by dividing the total amount of taxes by the current taxable value with adjustments as required by state law. The rates are given per \$100 of property value.

**This year's no-new-revenue tax rate** \$0.625107/\$100  
**This year's voter-approval tax rate** \$0.561853/\$100

**State Criminal Justice Mandate**

The Uvalde County Auditor certifies that Uvalde County has spent \$117,603 in the previous 12 months for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. Uvalde County Sheriff has provided Uvalde County information on these costs, minus the state revenues received for reimbursement of such costs. **Indigent Defense Compensation Expenditures**

Uvalde County spent \$273,056 from July 1, 2022 to June 30, 2023 to provide appointed counsel for indigent individuals, less the amount of state grants received by the county. In the preceding year, the county spent \$205,745 for indigent defense compensation expenditures. The amount of increase above last year's indigent defense expenditures is \$67,611.
